The Sycamore Fire Department is soliciting bids from buyers interested in purchasing four (4) vending machines. City of Sycamore policy states that any "equipment and furniture determined by the City Manager or department head to be no longer usable for City operations, and of greater value than \$50.00 will be submitted for public or on-line auction or via trade-in."

Below you will find pictures of each of the four units as well as their make and model information. Bids must be submitted separately for each individual unit and must be enclosed in a sealed envelope. Sealed bids must be submitted by 11:00 AM on July 14, 2017 to the "City of Sycamore, 308 West State Street, Sycamore, IL 60178." Bids submitted by mail or in person shall be marked "Sealed Bid, Fire Department, Vending Machine." Bids will be opened at the Sycamore Center, 308 West State Street, Sycamore, Illinois at 11:00 AM on July 14, 2017.

The sale of the machines will be awarded to the highest responsible bidder able to meet the requirement to remove and haul the vending units from their current locations. The City of Sycamore reserves the right to reject any and all bids.
