Construction Project Update

2019 Roadway Improvements

This chart represents the streets that are included as part of the City of Sycamore's locally funded street program. These projects include concrete improvements and new asphalt or microsurfacing.

Street	Construction Status	Limits	Scope of Work
Fox Pointe Subdivision Microsurfacing Sidewalk Lifting	Microsurfacing is complete. Roadway sweeping will continue as newly applied microsurface wears. City is in the processing of hiring a contractor to complete sidewalk lifting on smaller trip hazards.	See attached Microsurface Phasing Map	Microsurfacing of existing city streets.
Edward Street (Park Ave to Creek)	Paving is scheduled for the week of 10/7/19.	Park Avenue to Washington Place	Storm sewer improvements along with new curb and gutter, spot sidewalk replacement and new asphalt surface.
California Street	Paving is scheduled for the week of 10/7/19.	Sycamore Street to South of Exchange Street	Asphalt Patch

Pavement Rejuvenator- Completed Motor Fuel Tax

The program will also be partially funded by motor fuel tax funds. These funds will be used to complete the repair of portions of the following streets:

Street	Construction Status	Limits	Description of Work
Hathaway Drive	Concrete work is complete. Striping will be completed soon and Barricades will be removed.	Foxpointe Drive to Peace Road	Roadway surface removal and overlay. Spot curb and sidewalk removal and replacement
Foxbend Drive		Peace Road to Yorkshire Drive	
Edward Street		Meadow Drive to Elmwood Street	

Crack Sealing

Street	Construction Status	Limits	Description of Work
Various Streets and Parking Lots	Work is ongoing	55 locations. Limits depend on how far available funds can be stretched.	Filling of existing cracks within City streets to extend the life of the roadway.
