## APPLICATION FOR PRIVATE LEAD WATER SERVICE INSPECTION AND REPLACEMENT CREDIT

*THIS APPLICATION MUST BE LEGIBLE AND COMPLETE*

Please note that private water service replacement credit will occur **only when** funding is available and **work has not started** prior to an inspection and approval by Public Works staff. Credit will be limited to \$1,000 or \$2,000 based on the scope and as determined by Public Works Staff. Credit will be applied to the corresponding City Bi-Monthly Utility Bill. Credits are not redeemable for cash or direct reimbursement.

Eligible credits apply to privately owned lead water service lines replaced from water main to the water meter inside the residence. **After Public Works approval of eligibility the applicant must secure a permit from the Community Development Department and include this completed and executed form.** During replacement, all portions of lead piping must be removed from the service line. Credit is only applicable when lead is confirmed between the main and b-box.
